- xi. A certified copy of a school record reflecting an Arizona address; or
- xii. An affidavit signed by the applicant or, if the applicant is a minor, by the applicant's parent certifying that:

(1) None of the documents in subsections (c)(i) through (c)(xi) are available; and

(2) The applicant lives in Arizona; and

d. The financial screening packet in:

- i. R9-7-303(A), or
- ii. R9-7-303(B).

B. The Department shall provide to an applicant within 7 days from the date of the receipt of an application in subsection (A) a written notice of:

- 1. The Department's enrollment determination, and
- 2. If applicable, the Department's determination of the applicant's payment responsibility.

C. If the Department determines that an applicant is eligible to enroll in CRS and has complied with the requirements in this Section, the Department shall provide the applicant or, if the applicant is a minor, the applicant's parent:

- 1. A written notice that:
  - a. The applicant is eligible to enroll in CRS once the Department has received a completed payment agreement from the applicant; and

- b. If the applicant does not complete and submit to the Department a payment agreement within 90 days from the date of the notice, the Department shall consider the application withdrawn; and
  - 2. The payment agreement in R9-7-304(A).
- D. An applicant who is eligible to enroll in CRS and has complied with the requirements in this Section shall submit to the Department the payment agreement in R9-7-304(A).
- E. Except as provided in subsection (I), if the Department receives a completed payment agreement from an applicant who is eligible to enroll in CRS and has complied with the requirements in this Section, the Department shall:
  - 1. Enroll the applicant in CRS; and
  - 2. Provide the applicant or, if the applicant is a minor, the applicant's parent, a written notice that:
    - a. The applicant is enrolled in CRS, and
    - b. Includes the name and contact information for the person the member can contact to schedule a medical service with a CRS provider.
- F. If the Department determines that an applicant did not submit the information and documentation required in subsection (A):
  - 1. The Department shall provide a written notice to the applicant or, if the applicant is a minor, the applicant's parent that:
    - a. Identifies the missing information or documentation;
    - b. Requests the applicant or, if the applicant is a minor, the applicant's parent to submit the missing information or documentation within 90 days from the date of the notice; and
    - c. Informs the applicant or, if the applicant is a minor, the applicant's parent that, if the Department does not receive the information or documentation within 90 days from the date of the notice, the Department shall consider the application withdrawn.
  - 2. If the Department requests information or documentation according to subsection (F)(1) and receives the information or documentation requested within 90 days of the notice in that subsection, the Department shall, within 14 days from the date of receipt of the requested information or documentation, make an enrollment determination and provide notice according to this Section.
- G. If the Department determines that an applicant is not eligible for CRS, the Department shall provide the applicant or, if the applicant is a minor, the applicant's parent a written notice that:

1. Informs the applicant or, if the applicant is a minor, the applicant's parent of the reason why the applicant is not eligible to enroll in CRS; and
  2. Complies with A.R.S. § 41-1092.03.
- H. The Department shall consider an application withdrawn if the Department does not receive:
  1. An application in subsection (A) within 90 days from the date of the notice in R9-7-301(E).
  2. The information or documentation requested according to subsection (F)(1) within 90 days of the date of the notice in that subsection, or
  3. A completed payment agreement in R9-7-304(A) within 90 days from the date of the notice in subsection (C)(1).
- I. If the Department receives a completed payment agreement from an applicant who is eligible to enroll in CRS and has complied with the requirements in this Section and the applicant is receiving inpatient services, the Department shall:
  1. Provide the applicant or, if the applicant is a minor, the applicant's parent a written notice:
    - a. Stating that the Department will not enroll an individual while the individual is receiving inpatient services, and
    - b. Requesting that the Department is notified when the individual is no longer receiving inpatient services; and
  2. When the Department receives notice that the applicant is no longer receiving inpatient services, enroll the applicant according to subsection (E).

**R9-7-303. Initial Evaluation; Further Diagnostic Testing Financial Screening**

~~If the Department determines from an applicant's initial evaluation that further diagnostic testing is required to determine whether the applicant is medically eligible for CRS, the Department shall:~~

- ~~1. If the applicant has Title XIX or Title XXI health care insurance, request that AHCCCS complete the diagnostic testing and send the results of the diagnostic testing to the Department;~~
- ~~2. If the applicant has other health care insurance that agrees to pay the Department for the diagnostic testing, complete the diagnostic testing and submit charges for the diagnostic testing to the health insurance company;~~

A. A payment agreement shall contain the following information:

- 1. The individual's or member's name;
- 2. The individual's or member's date of birth;
- 3. If the Department has determined the individual's or member's payment responsibility, the individual's or member's payment responsibility;
- 4. A promise to pay the cost of covered medical services not paid by any third-party payor;
- 5. An assignment of insurance benefits;
- 6. The signature of the individual or member or, if the individual or member is a minor, the individual's or member's parent; and
- 7. The date the individual or member or, if the individual or member is a minor, the individual's or member's parent signed.

- B. The Department shall determine an individual's or member's payment responsibility for covered medical services by:
1. Identifying the individual's or member's household income group;
  2. Calculating the net income of the individual's or member's household income group; and
  3. Determining whether the net income of the individual's or member's household income group is:
    - a. Less than the percentage established according to subsection (C), or
    - b. Greater than or equal to the percentage established according to subsection (C).
- C. The Department shall establish annually, based on the amount of funding appropriated to CRS under A.R.S. §§ 36-261(A)(5)(h) and 36-261(A)(5)(l) and the Department's projected cost to administer CRS and provide covered medical services and covered support services for the subsequent 12 months, a percentage of the Federal Poverty Level to be used to determine an individual's or member's payment responsibility according to this Section.
- D. Except as provided in subsection (F), the Department shall not require an individual, whose household income group's net income is less than the percentage established according to subsection (C), to pay for a covered medical service.
- E. An individual whose household income group's net income is greater than or equal to the percentage established according to subsection (C) shall pay for a covered medical service an amount not to exceed the AHCCCS capped fee-for-service rate for the covered medical service.
- F. The Department may charge a member a \$5.00 co-payment for the use of a hospital's emergency services to treat a CRS condition, except that the co-payment is waived if the member is admitted to the hospital within 24 hours of the use of the hospital's emergency services.

**R9-7-305. Redetermination Identification of Household Income Group**

- ~~A. At any time, the Department may request a member or, if the member is a minor, the member's parent to submit the information and documents in R9-7-304 to redetermine:~~
- ~~1. Whether a member remains eligible for CRS, or~~
  - ~~2. A member's payment responsibility.~~
- ~~B. If the member has Title XIX or Title XXI health care insurance, the Department shall, no later than the member's CRS expiration date:~~
- ~~1. Verify that the member has Title XIX or Title XXI health care insurance, and~~
  - ~~2. Establish a new CRS expiration date for the member that is the same as the member's Title XIX or Title XXI health care insurance expiration date.~~

- C. ~~If the member does not have Title XIX or Title XXI health care insurance and the net income of the member's household income group is more than 200% of the Federal Poverty Level, the member or, if the member is a minor, the member's parent shall submit, before the member's CRS expiration date, a signed payment agreement.~~
- D. ~~If the member does not have Title XIX or Title XXI health care insurance and the net income of the member's household income group is equal to or less than 200% of the Federal Poverty Level, the member or, if the member is a minor, the member's parent shall, at least 30 calendar days before the CRS expiration date:~~
- ~~1. Participate in an eligibility interview with a Department representative,~~
  - ~~2. Submit to the Department the information and documentation in R9-7-304(10), and~~
  - ~~3. Submit to the Department a signed payment agreement.~~
- E. ~~The Department shall establish a new CRS expiration date for a member who does not have Title XIX or Title XXI health care insurance that is 12 months after the member's CRS expiration date if:~~
- ~~1. The member and, if the member is a minor, the member's parent comply with the redetermination requirements in this Section before the member's expiration date; and~~
  - ~~2. The Department determines that the member remains eligible for CRS.~~
- F. ~~If the Department determines that a member is no longer eligible for CRS, the Department shall provide the member or, if the member is a minor, the member's parent a written notice that:~~
- ~~1. Informs the member that the member is no longer eligible for CRS, and~~
  - ~~2. Complies with A.R.S. § 41-1092.03.~~
- G. ~~At any time, a member or, if the member is a minor, the member's parent may request a redetermination of the member's payment responsibility by submitting to the Department:~~
- ~~1. A written request for redetermination, and~~
  - ~~2. The documentation and information in R9-7-304(10).~~
- H. ~~Within 30 calendar days from the date of the Department's receipt of a member's request for redetermination, the Department shall provide the member or, if the member is a minor, the member's parent:~~
- ~~1. A written notice of the Department's redetermination;~~
  - ~~2. A new CRS expiration date for the member; and~~
  - ~~3. If applicable, a revised payment agreement.~~
- I. ~~If the Department changes a member's payment responsibility as a result of a redetermination, and the member does not have Title XIX or Title XXI health care insurance, the member or, if the member is a minor, the member's parent shall sign and submit a revised payment agreement.~~

- A. At the time of application or redetermination, the Department shall identify a member's household income group as:
1. If the member is living with a parent of the member, that parent's household income group;
  2. If the member is living with an individual other than a parent of the member and a parent of the member claims the member as a dependent for tax purposes for the current tax year, that parent's household income group; or
  3. If the member is living with an individual other than a parent of the member and neither parent claims the member as a dependent for tax purposes, the household income group of the individual with whom the member lives.
- B. The Department shall consider any of the following, when living together, a household income group:
1. A married couple and children of either or both,
  2. An unmarried couple and children of either or both;
  3. A married couple when both are over the age of 21 years;
  4. A married couple when either one or both are under the age of 21 years with no children;
  5. A single parent and the single parent's children;
  6. An individual or a member between the ages of 18 years and 21 years; or
  7. If living with an individual or a member, one of the groups in subsections (B)(1) through (B)(5), the individual or member, and:
    - a. The individual's or member's spouse,
    - b. A child of the individual's or member's spouse,
    - c. A child of the individual or member, and
    - d. The other parent of the individual's or member's child.
- C. In addition to the individuals in subsection (B), the Department shall include in a household income group an individual who is not living with the household if:
1. The individual is absent from the household for 30 days or less,
  2. The individual contributes to the income of the household, or
  3. The parent of the individual claims the individual as a dependent on the parent's income tax.

**R9-7-306. ~~Termination of Enrollment~~ Calculating Net Income**

- A. ~~The Department shall terminate a member's enrollment if:~~

- ~~1. The Department determines the member no longer meets the eligibility requirements in R9-7-201;~~
  - ~~2. A member does not continue to have Title XIX or Title XXI health care insurance while the member is eligible for the Title XIX or Title XXI health care insurance; or~~
  - ~~3. The member or, if the member is a minor, the member's parent:~~
    - ~~a. Requests a termination of the member's enrollment; or~~
    - ~~b. Fails to comply with the:~~
      - ~~i. Submission requirements in R9-7-302(I) or R9-7-305; or~~
      - ~~ii. Signed payment agreement in R9-7-601(B), if applicable.~~
- ~~B. If the Department terminates a member's enrollment, the Department shall:~~
- ~~1. Provide the member or, if the member is a minor, the member's parent a written notice of termination that complies with A.R.S. § 41-1092.03; and~~
  - ~~2. If the Department has the name of the member's physician other than a CRS provider, provide the member's physician a written notice of the member's termination.~~
- A. Except as provided in subsection (B), a household income group's gross income includes all the earned income and unearned income of the individuals in the household income group.
1. For an individual in the household income group who is not self-employed, the Department shall calculate an individual's income using the documents required in R9-7-303(B)(2)(a); and
  2. For an individual in the household income group who is self-employed, the Department shall calculate an individual's income using the individual's federal tax return or most recent quarterly financial statement required in R9-7-303(B)(2)(b).
- B. Gross income does not include:
1. The items in A.A.C. R9-22-1420(C), and
  2. The first \$50.00 per month per child of child support payments received by an individual in the household income group.
- C. When calculating net income, the Department shall deduct the following from the gross income of the household income group in R9-7-305:
1. For each month the household income group received earned income, a deduction for dependent care that is equal to the AHCCCS allowable deduction in A.A.C. R9-22-1420(F)(2)(b), if the individual who received dependent care is living in the household;
  2. For each individual in the household income group who earned income, an allowance of \$90.00 for each month the individual earned income; and
  3. Medical expenses that are:

- a. Incurred by the individual during the 12 months before the individual submitted to the Department an application in R9-7-302(A), and
- b. Not subject to any third party payment or reimbursement.

**R9-7-307.**                    **Redetermination**

- A. At any time, the Department may, to redetermine whether a member remains eligible for CRS or a member's payment responsibility, request a member or, if the member is a minor, the member's parent to submit the following information or documentation:
  - 1. To determine whether a member remains eligible for CRS, the application packet in R9-7-302(A);
  - 2. If the member does not have Title XIX or Title XXI health care insurance, to determine a member's payment responsibility, the financial screening packet in R9-7-303; or
  - 3. If the member has Title XIX or Title XXI health care insurance, to determine whether the member remains eligible for AHCCCS, the member's valid AHCCCS identification number or a copy of the member's valid AHCCCS identification card.
- B. The Department shall provide written notice of the Department's request in subsection (A) to the member or, if the member is a minor, the member's parent:
  - 1. Requesting the information or documentation in subsection (A); and
  - 2. Informing the member or, if the member is a minor, the member's parent that if the Department does not receive the information or documentation in subsection (A) within 30 days from the date of the notice, the Department:
    - a. Will not provide a covered service to the member, and
    - b. If applicable, may terminate the member's enrollment according to R9-7-308.
- C. The Department shall, at least once every 12 months:
  - 1. If a member does not have Title XIX or Title XXI health care insurance, redetermine a member's payment responsibility, or
  - 2. If a member has Title XIX or Title XXI health care insurance, redetermine whether a member remains eligible for Title XIX or Title XXI health care insurance.
- D. If the Department sends the notice in subsection (B), the member or, if the member is a minor, the member's parent shall submit the requested information or documentation to the Department within 30 days of the request.
- E. If the Department receives the information in subsection (A)(1) from the member within 30 days, the Department shall determine the member's eligibility as provided in Article 2.

- F. If the Department does not receive the information or documentation in subsection (A)(1) from the member within 30 days, or the Department determines that a member is no longer eligible for CRS, the Department shall provide the member or, if the member is a minor, the member's parent a written notice that:
1. Informs the member that the member is no longer eligible for CRS, and
  2. Complies with A.R.S. § 41-1092.03.
- G. If the Department receives the information or documentation in subsection (A)(2) from the member and, if applicable, the information or documentation is received within 30 days from the date of the notice in subsection (B), the Department shall redetermine the member's payment responsibility for covered medical services by:
1. Identifying the individuals' or member's household income group;
  2. Calculating the net income of the individual's or member's household income group;
  3. Considering the member to have been enrolled in CRS during any period of 90 days or less during which the member was not enrolled in CRS; and
  4. Determining whether the net income of the member's household income group is:
    - a. Less than the highest percentage established according to R9-7-304(C) since the member most recently enrolled in CRS, or
    - b. Greater than or equal to the highest percentage established according to R9-7-304(C) since the member most recently enrolled in CRS.
- H. If the Department does not receive the information or documentation in subsection (A)(2) within 30 days, the Department shall provide the member or, if the member is a minor, the member's parent a written notice that the member is required to comply with the requirements in this Section before the Department provides a covered service to the member.
- I. If the Department determines that a member who does not have Title XIX or Title XXI health care insurance may be eligible for Title XIX or Title XXI health care insurance, the Department shall provide the member or, if the member is a minor, the member's parent a written notice that:
1. The member is required to apply for Title XIX or Title XXI health care insurance, and
  2. If the member does not apply for Title XIX or Title XXI health care insurance within six months of the written notice, the Department may terminate the member's enrollment.
- J. If the Department sends the notice in subsection (I), the member shall apply for Title XIX or Title XXI health care insurance:
1. Within six months of the date of the notice, or
  2. Before the Department will provide a covered service to the member.

- K.     At any time, a member or, if the member is a minor, the member's parent may request a redetermination of the member's payment responsibility by submitting to the Department:
1.     A written request for redetermination, and
  2.     The information or documentation in subsection (A)(2).
